MEMORANDUM FOR: Chief, Map and Imagery Support Branch, RSD/PSG/NPIC

SUBJECT : Transfer of Photographic Material to OGCR and  
Records Center

This memorandum authorizes NPIC to transfer the U-2 COMPASS TRIP material presently held for OIA to OGCR and the Records Center. The 46 cans of original positives and 7 cans of duplicate positives are to be sent to OGCR for use in the foreign narcotics research program. The 23 cans of original negatives and 2 cans of duplicate negatives are to be sent to the Records Center. This material, classified SECRET/NOFORN, is from 14 missions (P032A, P042A, P052B, P062A, P092A, P072A, P112A, P013B, P132A, P033A, P043B, P063A, P073B, GT73-244) flown during the period 19 October 1972 through 20 June 1973. Neither OIA nor NPIC/IEG have any further use of the material. OGCR/ERAC/N has agreed to accept the responsibility for these positive materials and when through they are to destroy them in an authorized manner.
